

Ecosystem, Biome Organization Pyramid

Answer Sheet

Top Tier: Individual

Second Tier: Population

Third Tier: Community

Fourth Tier: Ecosystem

Fifth Tier: Biome

Sixth Tier: Biosphere

For this assignment Ss should label each tier, draw a picture that corresponds to the tier and on the left side Ss should include any information about that tier that helps the teacher realize the Ss understanding.

Ex: for the top tier, there should be a tortoise labeled "Individual". On the left of the triangle top tier should be basic information about the turtle, what it eats, what it's ecological role is, etc.

The next tier explanation should include words like "other tortoises,
